Reaction Paper 2 Instructions

1. Pick one article from any topic covered since the third paper (Consumer Decision; Guns & Priming: Normative Strategies & Behavior Change; Availability & Risk; Judging Sexual Interest)

2. Write a paper, 2 ½ page minimum, that includes the following:
   - Summary of Background, Rationale, Hypotheses tested, Methods used
   - Summary of Results: were specific hypotheses supported
   - Conclusions made by authors
   - Assessment of any methodological problems that could undermine those conclusions
   - Implications of findings for the real-world
   - How findings fit in with System 1 and System 2
