Voting Response Questions.

Please write a 2-3 page response to the following questions.

1. Briefly summarize the Todorov article, giving rationale, hypothesis, methods, and results. What did they conclude played a major role in voting decisions.

2. How does race influence voting decisions. Include in your answer results from IAT studies, the Bradley effect, and specific elections. How might this voting decision be influenced by the type of voting environment: caucus vs. primary

3. How do familiarity/similarity of the candidate to the voter influence voting decisions?
